WORTHINGTON PARKS IMPROVEMENT FUND

WORTHINGTON PARKS IMPROVEMENT FUND

The City of Worthington has an excellent park system. Shrubs and trees are added and replaced as needed. Your gifts can add to the aesthetic beauty of our City by supporting the care and development of our urban forest.

Nature never stops recycling. To protect and enhance our urban forest, we must do the same by continually planting and nurturing new trees. Your gift will help us continue and expand this work. The City of Worthington is giving you an opportunity to provide a lasting gift for Worthington parks. Adding and replacing park trees has become a priority because we are losing more trees through weather damage, decay and old age than are currently being planted.

With your help a tree may be planted in most Worthington parks. One of our certified arborists will help you select a tree and a planting location.

TYPES OF GIFTS INCLUDE:

1. \$50 or more – You may designate your gift for purchasing new plants for the parks, public lands, hanging baskets and containers. You may select a species you would like to donate from an approved list of plants.
2. \$100 or more – An engraved dedication brick will be installed at the Memorial Brick Garden.
3. \$200 or more – A tree will be planted in one of Worthington's parks.
4. \$300 or more – A tree will be planted and an engraved dedication plaque will be installed at the base of the tree.
5. \$1,000 or more – A park bench will be installed with an engraved plaque and placed at one of Worthington's parks. A bench installed in Old Worthington or along the Olentangy Trail requires a \$3,000 donation.
6. Non-specific donations of any amount may be given for the purchase of trees and other plant materials for the parks of Worthington.
