CORE QUESTIONS

Technology access

1. Do you or any member of your household have access to any of the following types of computer in your home? (n=1,717)

Computer type	Yes	No
Any computer	100%	0%
Smartphone	98%	2%
Desktop or laptop	98%	2%
Tablet or other portable wireless computer	88%	12%
Some other type of computer	29%	71%

2. Do you or any member of your household have access to the following office equipment in your home? (n=1,717)

Equipment type	Yes	No
Printer	88%	12%
Scanner	74%	26%
Copier	67%	33%
Fax	22%	78%

3. Do you or any member of your household have access to the internet using... (n=1,717)

Internet service type	Yes	No
Any internet service	100%	0%
Broadband (high speed) internet service such as cable, fiber optic, or DSL service installed in your household	97%	3%
A cellular data plan for a smartphone or other mobile device	96%	4%
Satellite internet service installed in your household	5%	95%
Some other service	2%	98%
Dial-up internet service installed in your household	2%	98%

4. How important, if at all, has the internet been for you personally during the coronavirus outbreak? (n=1,717)

Importance level	Responses
Essential	92%
Important, but not essential	8%
Not too important	1%
Not at all important	0%

Employment

5. Which of the following best describes your current employment status? (n=1,717)

Employment status	Responses
Employed full-time	54%
Employed part-time	11%
Self-employed	5%
Not employed (including retired or in school)	29%

6. Where are you currently working? (n=1,126)

7. Since the coronavirus outbreak started, have you experienced any of the following changes with your business? (n=94)

8. Since the coronavirus outbreak started, have you experienced any of the following changes to your employment? (n=1,623)

Employment change	Yes	No	Does not apply
I have done work from home, or somewhere other than my regular workplace	56%	18%	26%
I have seen a loss of income	24%	55%	21%
